

Special Features

Music

Throughout the week we will have local musicians ministering to us. We would also like to give our retreaters an opportunity to minister to one another in music. Please come prepared to participate with both voices and instruments.

Craft Workshops

For those interested in designing various crafts, we will offer two workshops.

River Cruise

There will be an opportunity to enjoy a relaxing houseboat cruise on the scenic Saskatchewan River.

Outdoor Activities

Our campus is just 10 minutes from superb walleye fishing and an excellent 18-hole golf course. We will have several tee times booked for your convenience. If you would like to go fishing, we can arrange for a boat rental or direct you to some fine shore-fishing locations.

Throughout the week there will be excursions to local places of interest.
