**Refined/Undignified** is a passionate group of people who love seeing teenagers set free from bondage in their lives. This is their 9th year as a group and they have been able to travel around to schools, churches, camps and youth centers across Canada from BC to Ontario. They have also toured London, England and surrounding areas in the summer of 2007 and 2009. Their desire is to reach the lost with the hope of Jesus Christ and their ministry encompasses many aspects; from training in dance to mentoring relationships and developing young people to serve the Lord in everything they do. Refined/Undignified is all about reaching a hurting generation through the discipleship of Christ followers' by presenting a relevant portrayal of the Gospel through the power of music and dance.
